Re: Covid-19 Lockdown – PSSPF Win a house competition

Dear Sir/Madam,

Following the announcement by the President regarding a national lockdown, South Africa and the world is facing an unprecedented challenge in the fight against the Covid-19 virus. As a responsible citizen African Unity and the PSSPF is committed to support the Government in all initiatives to stop the spread of this virus.

Due to the lockdown, the closing date of the competition will be extended by 60 days to ensure all members of the Private Security Sector receive a fair chance to enter the competition and ensure the draw can take place in a safe environment.

Therefore, the competition will remain open for new entries until 31 May 2020 and the draw will take place on the 10 June 2020.

African Unity will continue servicing all members during these trying times.

Yours sincerely

African Unity
