Important Update |
Temporary Contribution
Rate Reduction

Dear PSSPF Valued Member,

We are pleased to advise you of an important update regarding your monthly contributions.

Effective 1 September 2026, your monthly contribution rate will be temporarily reduced from **7.5% to 5%** of your salary. Your employer's contribution will also be reduced from **7.5% to 5%**, bringing the total combined contribution to **10%** during this period.

In simple terms, less will be deducted from your salary each month meaning more money in your hand every payday.

Please note that this reduction is temporary. From **1 June 2027**, contributions will return to the standard rate of **7.5%** per party.
