Nominate Your Funeral Beneficiary Online - This Is Compulsory

Updating your funeral beneficiary nomination through the member portal ensures that in the event of your passing, your funeral benefit is paid to your loved ones without delay.

Here is how to do it in just a few minutes.

Log into your member portal using this link:
https://psspf.benefitcounsellor.com/login

Once you are logged in, complete your personal details.

Then click on the funeral nomination button and add your preferred beneficiary's information.

That is it, your nomination is saved immediately.

What Happens If You Do Not Nominate a Beneficiary?

If you do not complete your funeral beneficiary nomination, the Fund will be unable to pay out your funeral benefit directly to your family. Your family will be required to open a late estate account through the Master of the High Court before any payment can be made. This process can be lengthy and costly and in the meantime, your family may not have the funds available to cover your funeral expenses.

This is compulsory. Please do not delay.
